

Labor Economics HW1

2024-03-10

The location of this .rmd file is: /homework/homework1//R_code

Here is the package installation command:

```
# Q1.2.3 install package (unmark if need to be installed)
# install.packages("data.table")
# install.packages("ggplot2")
# install.packages("fixest")
# install.packages("knitr")
# install.packages("dplyr")
```

Here is the “Hello world!” display:

```
# Q1.2.4 helloworld
print("Hello world!")
```

```
## [1] "Hello world!"
```
